Department Wise Feedback Recommendations (2018-19)

S.No	Department	Recommendations/Suggestions
1.	English	To introduce English as a compulsory subject in the Final year too, as this would enable the department to take an active role in preparing the students for the job market.
2.	Telugu	It is recommended to include chapters that are useful in developing employability skills. To enhance language speaking and writing skills the department is recommending for incorporation of second language subject in V and VI semesters
3.	Hindi	To Introduced Hindi as a Compulsory Subject in the final year too, for National Integration and Unity, as this would enable the department to take active role in preparing students to get best Job opportunities.
4.	Sanskrit	To introduce Sanskrit as a Second Language subject in the Final year too, for Indian heritage and culture. Recommended the university to prepare lessons in connection with human values and personality development.
5.	Commerce	It is advised to the Osmania University to share their Ultra-modern Software's with B. Com (C.A) students in Hyderabad to have Industry expected skills among the students at the time of placement. Question paper pattern may be revised as the present question paper pattern is in practice for the past several years.
6.	Political Science	Indian and western political thought can be Separated. New topics should be added to curriculum like lokayatha thought in Indian political thought.
7.	Public Administration	Introduction of Project in final year. Latest developments in the field of Administration can be included in the form of case studies.
8.	History	World History is recommended to be taught in simple and easy manner. E-learning (virtual classes or photographs, video graphs) recommended.
9.	Economics	Add new concepts and theories that are relevant to recent global financial, development issues.
10	Mathematics	Seminars and Workshops on Applications of Mathematics for UG level students can be organized by the University.
11	Statistics	R, SAS software to be introduced in the syllabus for practicals. Skill Enhancement courses to be introduced in Statistics subject under CBCS.

PRINCIPAL

VIVEKANANDA GOVT. DEGREE COLLEGE
Vidyanagar, Hyderabad-44.

12	Computer Science & Computer Applications	To introduce real-time project in the curriculum, to benefit the students for their professional career.
13	Botany	To recommend the introduction of Project work and its evaluation in the Final Year, to facilitate experiential learning. To incorporate Field work as a part of course work.
14	Zoology	Activities related to experiential learning like project works, Seminar presentations should be included in the curriculum. More emphasis to be given to practical work by increasing practical hour.
15	Physics	Relevance of lab practicals should be in lines of theory of each semester
16	Chemistry	Activities related to experiential learning like project works, Seminar presentations should be included in the curriculum.
