1. Telangana Formation Day- June 2nd, 2023

As part of Telangana Dashabdi Utsavaalu, a decade of Telangana formation, the college conducted various competitions on Telanagana History, culture, language and literature. Prizes were distributed after the unfurling of National flag and singing Telangana state song.

2. One Day Teacher Training Workshop on Autonomy @ GDCW (A), Begumpet-

July 19, 2023

VGDC had applied for Fresh autonomous status as it was awarded with A Grade in 2nd cycle of NAAC accreditation. The IQAC committee members, ACO, Autonomy committee members attended the one day workshop with hands on training on drafting Academic Council, BoS, Finance Committee. IQAC presented a rough draft of academic council at the end of the workshop. About 5 teachers participated in the workshop.

Outcome: The IQAC, ACO, Autonomy team understood the basics of implementation fresh autonomous status with latest guidelines of UGC. And it was found necessary to organise such workshop for all the teachers of VGDC.

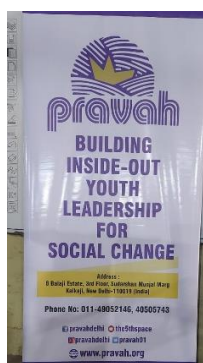

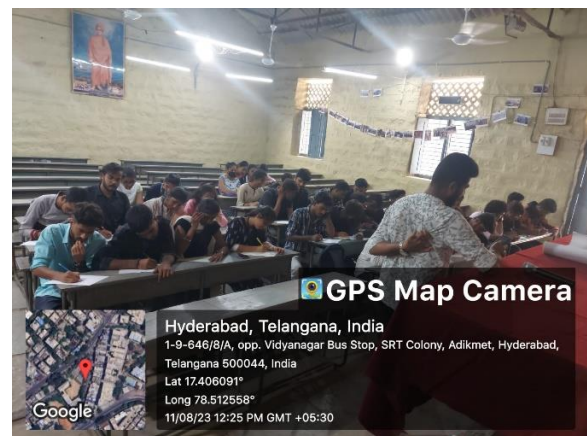

3. Samskruti Foundation- Rakhi for Soldiers- 3rd August, 2023

Samskruti Foundation, collected Rakhis to be distributed to soldiers at the border. VGDC students prepared Rakhis and handed them over to the organisers. About 20 students and 4 faculty members participated in the event.

4. Pravah Closure MLMF August 11, 2023

Pravah, partner NGO has conducted workshops for students of VGDC under MLMF-My Life, Mere Faisle, in two phases training about 70 students in resolving relationship issues through healthy dialogue and compassion. The scheme came to a closure and a photo exhibition followed by final youth adda workshop, certificate distribution, launch of SMILE programe was conducted. About 42 students from batch 2, and 28 from batch 1 received certificates.

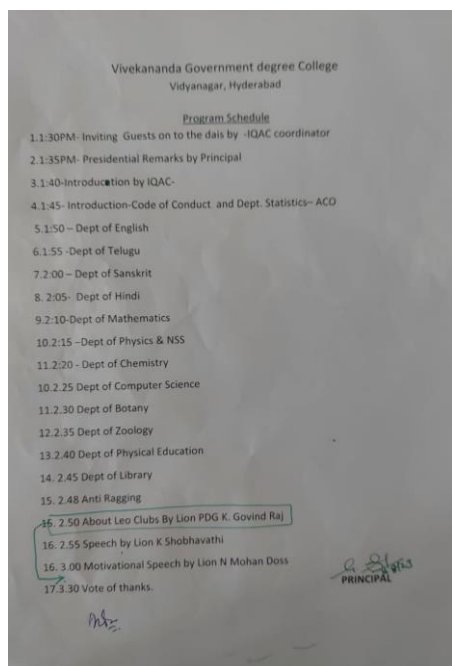

5. Independence Day August 15, 2023

6. Samaarambham- Orientation to First Year Students in 3 phases-Aug 17th to

VGDC conducted an Induction/orientation to all the first year students in two phases. First phase for all BSC, both Life Science and Physical Science along with BCA students. Second phase orientation was conducted in three sessions: two for BCOM and one for BBA and BA. Students were introduced to all the departments, faculty and office staff. They were apprised of code of conduct, Anti ragging Policy, CBCS pattern, semester details, examination pattern, internals, assignments, various facilities available, committees, clubs and cells in college, certificate courses and importance of WhatsApp groups. Their doubts were answered by faculty.

Leo Club Unit of VGDC coordinated by NSS Program Officer Dr.J. Chinna Babu later motivated students to join LEO club and the event was also attended by Leo Club Hyderabad office members. Outcome: Students volunteered to join NSS, Leo Club, and various clubs and committees of college.

7. Chandrayaan Live telecast 23rd August, 2023

Department of Physics has arranged Live telecast of India's Prestigious Space Mission by ISRO Chandrayaan landing on the dark side of the moon. VGDC participated in the telecast and the students were oriented on various phases of the mission. About **60** Students joined the countdown and recorded on their mobile phones the successful landing of Vikram Rover. The success of ISRO was celebrated by sweet distribution.

8. **Jignasa Student Study Projects:** IQAC facilitated annual entries to state level Competitions titled JIGNASA. In 2023-2024 about 5 projects were sent and 3 got selected for State level presentations and One project in Zoology was awarded third prize.
