Resource persons: Ms. Rose Mary (Soft Skill Trainer)

No. of Students:

Date: 5th January 2023.

Report: Teamwork is a crucial aspect of success in any field, and it is essential for college students to learn how to work effectively in a team. The TSKC Cell of VGDC, in collaboration with Task, conducted a one-day workshop on teamwork for college students.

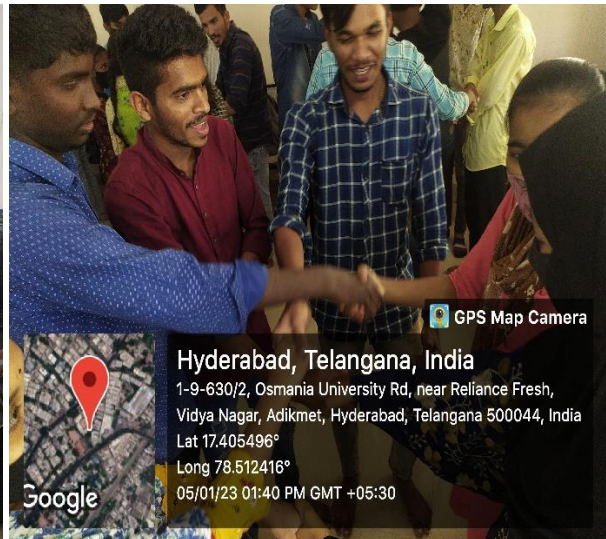

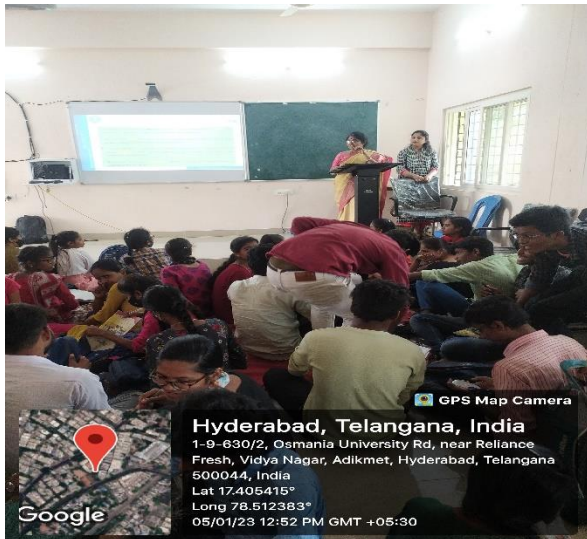

Objective:

- The workshop aimed to teach students the importance of teamwork, how to work effectively in a team, and how to overcome common challenges in a team setting.

The workshop was a combination of lecture, group discussions, and practical sessions. The lecture focused on the importance of teamwork, how to build trust and communication in a team, and how to resolve conflicts within a team. The group discussions encouraged students to share their experiences working in teams and to identify common challenges they face. The practical sessions involved working in teams to complete tasks that required communication, problem-solving, and decision-making.

Outcomes:

- Students reported an improvement in their understanding of teamwork and its importance.
- They also felt more confident in their ability to work effectively in a team.
- The practical session helped students to develop their communication, problem-solving, and decision-making skills, and they learned how to apply these skills in a team setting.
- The group discussions allowed students to share their experiences and learn from each other.
