

Activities conducted by Department of Zoology

2018 to 2019

Departmental Quiz – 13.08.2018

Department of Zoology has conducted quiz for the students of B.Sc, BZC Iyr, on 13-08-2018 on topics related to phylum Protozoa, Porifera, and Coelenterata by which students were trained to prepare well for their internal examinations.

Guest Lecture on the occasion of Mendel's birthday- 26.07.2018

The Departments of life sciences (Zoology and Botany) have organized a guest lecture on “Genetic disorders - Diagnostic tests”. The lecture was arranged to bring in awareness to the staff and the students on the latest technological developments in the field of diagnostic tests of genetic disorders.

Field visit to CCMB on Open Day- 26.09.2018.

We the students and staff of Dept of Zoology of VGDC, Vidyanagar, visited CCMB on its open day i. e on 26-09-2018. The students got glimpses of various ongoing research projects at CCMB such as DNA fingerprinting, Nano-Technology, new developments in cancer research on Zebra fish.

Field visit to ICRISAT on 30.1.2019

We the team of staff and students of sciences visited ICRISAT on 30-01-2019, FN. The students and staff were taken on a farm visit, where they were shown the methods of growing high yielding varieties. We also had a visit to Biotech lab where GM crops were developed. As a team we enjoyed the educational trip and gained knowledge regarding research progress in the field of crop developments.

Student Seminars – 2018-2019

Student Group presentations – 2018-2019

National Science Day – 28.02.2019

Theme- “Science for the people, people for the science”

National Science Day was celebrated in the college on 28.02.19. Week long activities were planned and organized by different departments of sciences on the theme- “Science for the people, people for the science”. The students participated enthusiastically. Many students have given Ppt presentations which were greatly appreciated.

Quiz, Ppt presentations, Poster/Models presentations.

Activities conducted by Department of Zoology

2019 to 2020

Departmental Quiz - 02.08.2019

Quiz programme was conducted for the students on basics of pure sciences. The quiz was aimed to identify the basics of the newly enrolled students. Questions were asked on Botany, Zoology and Chemistry to the students.

Celebration of Ozone Day on 16.09.2019

In order to bring in awareness among the students on the importance of the Ozone layer few activities were organized. A video was played to enable the students understand the importance of ozone layer and the also the causes of its depletion.

Elocution, JAM sessions were organized followed by Quiz.

Field visit to CCMB on “Open Day” - 26.09.2019

The B. Sc, BZC & BZCA students of I yr. sciences were taken on a field trip to CCMB on the occasion of “Open day”. They keenly observed the models, posters and equipment displayed there. The Research students of the institutes accompanied the students and explained them the kind of research happening at the institutes.

Field visit to BK Das Museum, Department of Zoology, O.U- 02.03.2020

Students of Life Sciences are taken to the Department of Zoology, Osmania University Hyderabad to visit the BK Das Museum. The museum is known to have rare species, unique specimens of large number and variety. The museum also has rare specimens, skeletons and other material of Evolutionary interest

Student Seminars- 2019-2020

05-02-2020

Online seminars- 09.05.2020

National Science Day on 28.02.2020

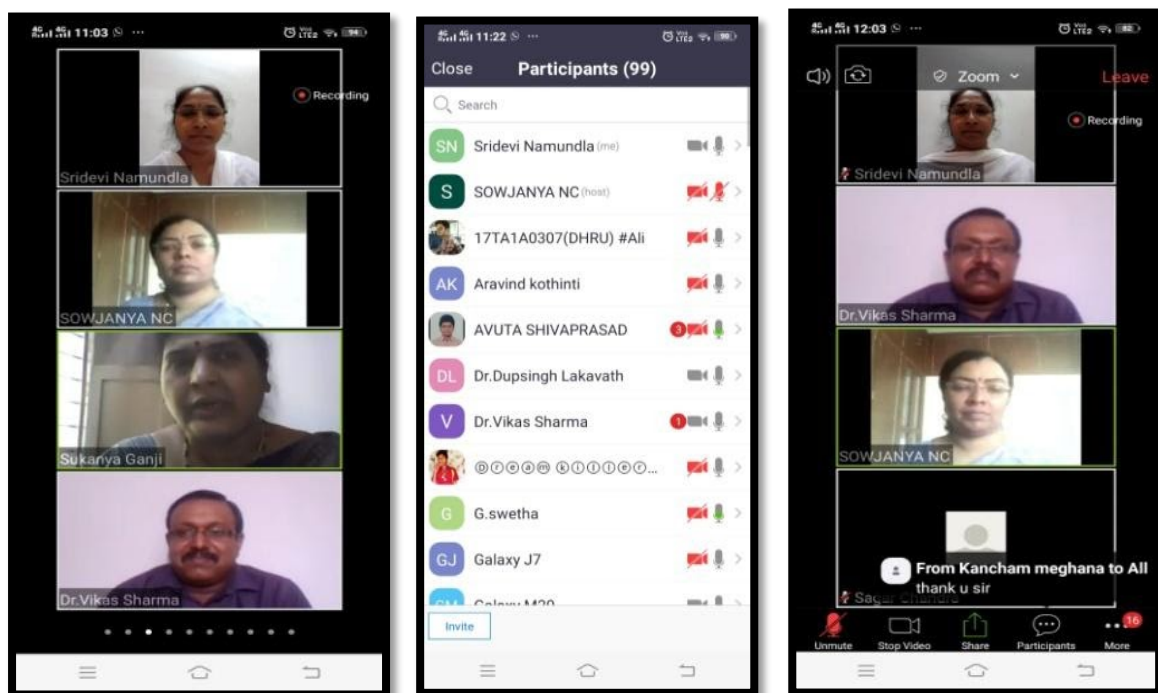

Theme- “Women in Science”

National Science Day was celebrated in the college on 28.02.2020. The activities include quiz, Science Rangoli Competition, Ppt presentations on the theme “**Women in Science**” etc. Many students have participated in **Quiz, Rangoli and PPT competition**, which were greatly appreciated. The activities conducted have inculcated scientific attitude in the students and has further motivated them to participate in many such events.

Webinar on “Career Opportunities for Life Science Graduates”- 15.05.2020.

The Departments of Life Sciences organized a Webinar on “Career Opportunities for Life Science Graduates”. The Resource person, **Dr. Vikas Sharma** gave an elaborate description of various opportunities for life science graduates for higher studies and placements. All the life Science students from different Government Degree Colleges have attended the seminar. The students asked questions on different **Post Graduate courses, Job opportunities** with the resource person. At the end of the programme the students became well aware of the various opportunities in the field of life science.

**VIVEKANANDA GOVERNMENT DEGREE COLLEGE**
Vidyanagar, Hyderabad - 500 044. Telangana.
Affiliated to Osmania University
Accredited by NAAC with B Grade (First Cycle)

**Webinar
on
“CAREER OPPORTUNITIES FOR LIFE SCIENCE GRADUATES”**
15-05-2020, 11.00 AM to 11.40 AM

Zoom ID : 447-653-7218 Password : 1234

**Dr. Vikas Sharma**
Assistant Professor,
Department of Biotechnology,
University College of Science, Saifabad, Hyderabad.

**Organised by
Departments of Botany and Zoology**

Dr. N.C. Sowjanya
Assistant Professor of Botany

Ms. N. Sridevi
Assistant Professor of Zoology

Dr. G. SUKANYA
Principal

S. Madhu
Lecturer in Botany

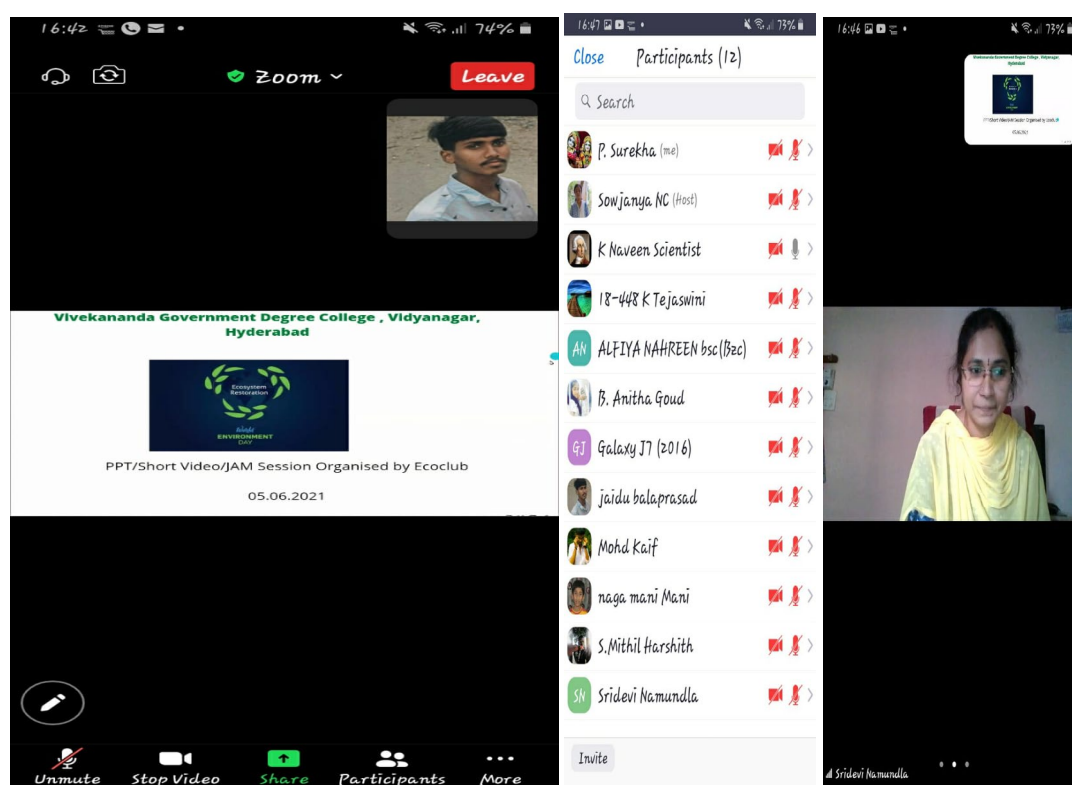

ALL ARE WELCOME TO JOIN THE WEBINAR

Activities conducted by Department of Zoology

2020 to 2021

World Environment Day – 05.06.2021

The **Department of Zoology** in Collaboration with **Eco Club** organized online activities on account of World Environment Day on 05.06.2021. Students from all the branches participated in the programs and emphasized the **role of Youth in protecting the environment by participating in JAM/Video/PPT sessions.**

National Science Day- (Celebrated on 03.03.2021)

Theme- “Future of STI- Impacts on Education, Skills and Work”

National Science Day was celebrated in the college on 03.03.21. Week long activities were planned and organized by different departments of sciences on the theme- “Future of STI”. The activities include quiz, Poster, Models presentations and Science Rangoli. The students participated enthusiastically. Many students have prepared and presented posters and models, which were greatly appreciated

Models exhibited by the students

Rangoli competitions

Activities conducted by Department of Zoology

2021 to 2022

Departmental Quiz – 09.11.2021

Quiz programme was conducted by the Departments of Botany, Zoology & Chemistry for the first-year students. Questions were asked to understand their basic knowledge on the said subjects. The students participated enthusiastically. **The students were categorised into slow learners and advanced learners.** Bridge course was conducted to train the students in the basic concepts of the subjects.

Student Seminars – 16.12.2021

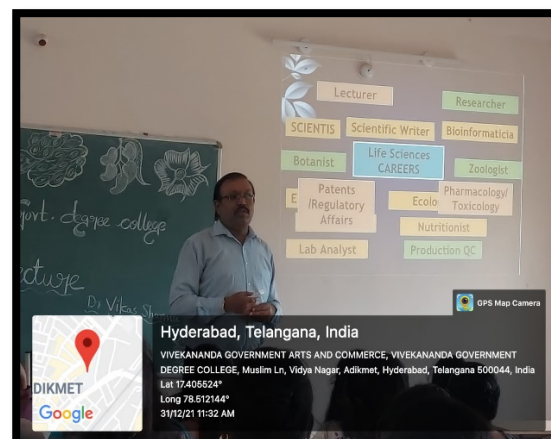

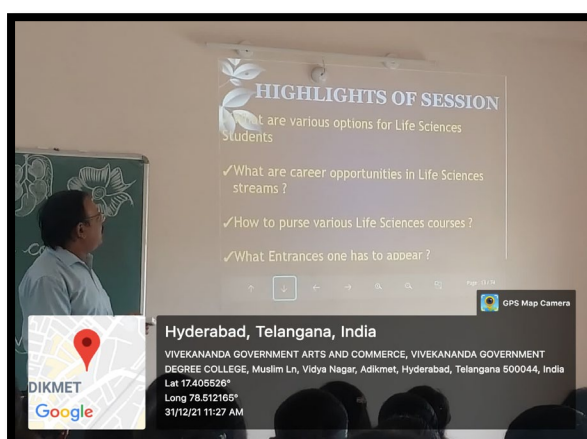

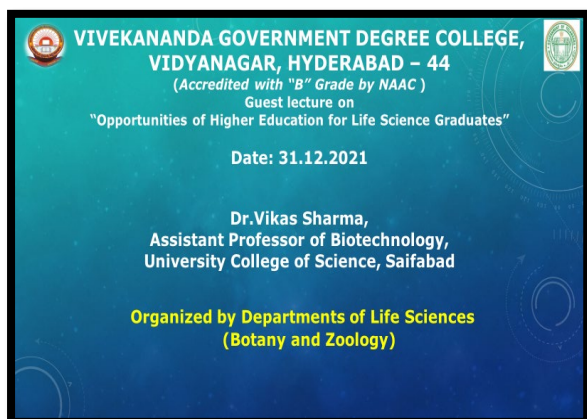

Group presentations – 22.12.2021

GUEST LECTURE- 31.12.2021

Resource person- Dr. Vikas Sharma, Microbiogen

The Lecture was organized to enlighten the students on various higher education opportunities. The Resource person in his lecture gave detailed information about various entrance examinations available Pan India for life sciences students. He also briefed upon Employment opportunities in various fields.

National Science Day- 28.02.2022

Theme - "Integrated Approach in science and technology for Sustainable Future".

The students participated in various activities organized at college – JAM, Science Rangoli, PPT presentations, Model making, Poster presentation. Prizes and certificates were given away to the winners and participants by the Principal.

Models prepared by Advance learners

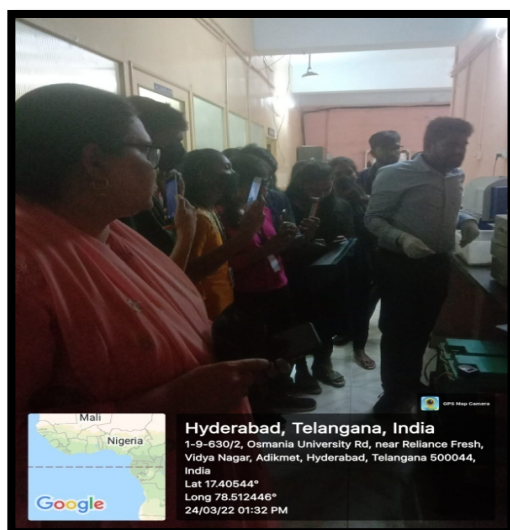

Field visit to “OPEN DAY” TAKSH -24.03.2022

Osmania Taksh – Visit to Department of Zoology, Osmania University.

The Students of Life Sciences were taken to the Department of Zoology, OU, on 24.03.2022 on the occasion of “Osmania Taksh” – An Open Day organized by the University.

The students visited the Laboratories, Research Laboratories, and interacted with the M.Sc. students and Research Scholars. The students could gain first-hand experience about the higher education opportunities in the field of life sciences. They were exposed to latest research in the field of Animal sciences through poster presentations. They visited the B.K.Das Museum and observed certain rare species. The students became motivated to pursue higher education in the field of Life Sciences

Prizes to the Meritorious Students

The Department initiated the program of giving text books of the forthcoming semester to the Meritorious students
