

**VIVEKANANDA GOVERNMENT DEGREE COLLEGE,
VIDYANAGAR, HYDERABAD**

Department OF Commerce

About the Department:

The Department of Commerce was established at the erstwhile SVS and the present Vivekananda Government Degree College in the year 1966.

Since, Hyderabad is a metropolitan city, Commerce always had the edge over the other Departments not only intake wise but also in results and employment opportunities observed by Private and Public sector. In the process of Departmental up gradation the Courses like B.Com Computer Applications, B.Com Computers, B.Com Insurance and Bachelor of Business Administration were added to the B.Com General (E/M &T/M)

Date of Establishment:

1. The Department of Commerce was established with B.Com General (E/M & T/M) in the year 1966.
2. B.Com Computer Applications course was established in the year 2003.
3. B.Com Computers was added in the year 2011.
4. Bachelor of Business Administration was added in the year 2019.

Objectives:

The basis objective of the Department of Commerce is to impart the quality business education with an intention to make the youth to stand on their legs by holistic transformation of personality in one hand and the overall academic strength to adjust with the industry, business, trade and commerce fields on the other hand.

The other objectives are:

1. To provide quality commerce education.
2. To give competitive edge to the students in subjects like Accounting, Business Statistics, Management and Banking.

3. To prepare the students for competitive examinations by providing employment avenues in Public and Private Sectors.
4. The induction of BBA programme aims to provide Management Profession as a priority in corporate sector for placement purposes.
5. To train the students in Computer Labs on Industry accepted Softwares. The value added programmes in Computer Applications are also offered to the Final year students to improve their proficiency by designing short term certificate courses.
